Story The lands of the Divine and the Abysmal are the true Elden heartland, the far west of the lands of humanity. The mountains of the Divine proper surround the central valley of the Divine, and the mighty plateau of the Stone of the Forsaken stands alone at its highest peak. Establishing their base of power in the heart of this rough wilderness the Elden Lords are a thing of legend, feared across the lands but all-powerful to be reckoned with. The Elden Lords work the land as a service to the One Elden God, and with its people live in harmony. Their pagan beliefs have created a civilization built on absolute order, and the Elden Lord as the voice and bulwark of that order is the heart of the people. The value system of the Elden may be one of a rigid caste system, but through the story of the game, the long-lasting power and progressive influence of the different castes will be made clear to the player. The Elden Lords have become powerful through years of carefully managed warfare. With each incremental change to the land the lands of the Divine has been slowly but surely conquered by the Elden Lords, and the lands of the Abysmal are being subdued by the Elves. Centuries of management and politicking have enabled the Elden Lords to consolidate their power over the lands. The Vale of Abysmal is the jewel of the Elden Lord's power, the symbol of their ultimate glory, as most of the vast lands of the Abysmal can be attributed to the Lords and their people. Then one day... a mass genocide of the Elden takes place in the Vale of the Abysmal, initiated by a young Lord. The cause and circumstances remain unknown, but under his rule the Elden lords subjugated the Elves and ruled the peoples of the Vale. After 500 years of war, and the threat of an eternal darkness, the destiny of the Elden races is left undecided. The massive repercussions of that decision are felt throughout the following years. A severe decline of the province, travel restrictions, and even the dissolution of the Elden Lords is put into effect in an bff6bb2d33
